NARRATIVE REPORT

VICTIM, LAST, FIRST, MIDDLE	OFFENSE	DATE	CASE NO.
AGUIRRE, MANUEL AGUIRRE, MERCED	CAPITAL MURDER	4/22/94	9427980

JUNE 8, 1994 - WEDNESDAY

1:10 p.m. OTIS CLEVELAND HAWKINS, address of [REDACTED], phone [REDACTED], came into the Homicide Office in reference to his interview. MR. HAWKINS is JULIAN OLIVAREZ' boss at the period of time of April 21st and 22nd, 1994. I asked MR. HAWKINS if he recalled April 21, 1994 and if he recalled if JULIAN OLIVAREZ was working for him at that time. He stated that he didn't really recall a whole lot about that date, but JULIAN OLIVAREZ was working for him in a contractor's status. I then asked MR. HAWKINS if he had ever gone to play pool with JULIAN. He stated that it was about this period of time that he did go play pool with JULIAN at a bar on the southside, which he believed was EL RANCHO GRANDE. He believed that was a Thursday but wasn't sure. He stated that on that day, JULIAN had come to work early in the morning and stayed at work until late that day, at which time, they went to play pool at EL RANCHO GRANDE. He stated that it was about 9:30 or later when he'd left, and JULIAN was still at the bar. Now this information corresponded with JULIAN'S story about the date of April 21, 1994.
